

## Mission Statement

Family of Christ Christian Preschool in partnership with parents, the church, and the community provides a warm and loving environment nurturing a child's capacity to grow spiritually, socially, emotionally, physically and cognitively. We are committed to modeling positive Christian values such as love, kindness, respect, and helpfulness for others.

## Our Philosophy

We believe that parents and families are the number one teachers of their young children. Our role here at Family of Christ Christian Preschool is to support families in this teaching and learning endeavor.

We also believe that it is through play, exploration and imagination that children grow and learn.

## Curriculum

Our preschool program is designed to meet the needs of the whole child. The curriculum's focus is on Spiritual development along with the six basic areas of development.

We define spiritual development as "learning that God loves and accepts every one of us for who we are, and learning to share that love and acceptance with others."

The six areas of early childhood development that we focus on are:

1. Language
2. Fine motor skills
3. Conceptual development
4. Gross motor skills
5. Self-help skills
6. Social-Emotional development

## Non-Discrimination Policy

Family of Christ Christian Preschool does not discriminate against families on the basis of sex, race, color, religion, ethnic and national origin in the administration of its educational policies and programs.
